HIGH VALLEY STOVES

Official Manufacturer's Certificate

High Valley Stoves manufactures the model 2500, model 1500 and model 1600 wood burning stoves and certifies that these model stoves qualify for the biomass-burning stove products tax credit giving under the American Recovery and Reinvestment Act of 2009. High Valley Stoves certifies that the model 2500, model 1500 and model 1600 are "qualified energy property" as defined in section 5.01 of Internal Revenue Service Notice 2009-53.

The 30% tax credit which is not to exceed \$1,500.00 is not an instant rebate or product discount. It is a tax credit provided by the IRS as part of the 2009 American Recovery and Reinvestment Act and is applicable when filing personal income taxes for the 2009 and/or 2010 tax years. Please consult with a tax advisor or the Internal Revenue Code for more information.
